PROFILE

I am an enthusiastic and dedicated Doctor of Pharmacy (Pharm.D) student with a deep interest in pharmaceutical sciences and patient care. I am currently pursuing my degree, and have built a strong foundation in subjects like pharmacology, clinical pharmacy, and drug safety. I consider myself a quick learner and detail-oriented individual, always eager to expand my knowledge and skills. I am passionate about contributing to the healthcare field through the safe and effective use of medicines. My goal is to gain practical experience, grow professionally, and become a valuable part of the pharmacy profession.

WORK EXPERIENCE

Currently no formal work experience. 2025
Eager to learn and gain hands-on experience in a professional environment

EDUCATION

Doctor of Pharmacy (Pharm.D) 2024-2029

A five-year professional degree program focused on the study of pharmaceutical sciences, clinical pharmacy, pharmacology, pharmacognosy, and patient care. The curriculum is designed to prepare students for roles in hospitals, community pharmacies, and the pharmaceutical industry by combining theoretical knowledge with practical experience in drug development, dispensing, and therapeutic management.

Currently enrolled in 2nd year and actively learning core concepts of pharmacy and patient care.
